

# Thin Section Laboratory Sample Submission Form

By submitting the sample, the Client agrees that the required services shall be carried out subject to the GNS Science, National Isotope Centre, Standard Terms and Conditions and that the Client will pay GNS Science the price for the services, either calculated in accordance with the current Price Schedule (see website for the current schedule – <http://www.gns.cri.nz/services/minerals/thin.html> ), or as has otherwise been notified to and agreed with the Client by GNS Science. The Client acknowledges having been supplied with a copy of the Standard Terms and Conditions (available from <http://www.gns.cri.nz/services/minerals/thin.html>).
